Sorry [REDACTED], my old computer is acting up, couldn't send you more. I did the one you've tried to print a bit bigger, hope it'll work, the other cat's picture I think is for a regular standing frame and Jeffrey's photo also for a standing frame, I just would like it a bigger size if possible. Please don't worry if something won't come out right, we'll fix it later, I'll find more pictures. Thank you sooo much for your help! You are so great, ohh lucky [REDACTED]!!!:)
