Great, please consider this as my confirmation for Monday April 15th at noon. I will let people know, so those who are interested can stop by.

Thank you,
Karyna.

Hi Karyna, thank you for your call this morning. After looking at my schedule, as we talked about, this coming Monday, the 15th at 12 noon looks good so I am hoping you can spread the word and get as many people there as possible to the 8th floor student lounge in the Vanderbilt Clinic. I will try to get there by 11:45 to set up.

Let me know if this works for everyone.

Thanks, Randall.
