Dear ms. Zubiaurre ; Thank you very much for your very kind email. I have recently been advised that I should attempt to reinstate my F-1 visa status , though, as you are aware, I am currently an applicant for asylum. If not too much trouble , I would like to respectfully request an I-20 from your international student office, as soon as possible . This will enable me to accomplish my immigration reinstatement. On a personal note, you can not imagine how grateful I am for both your thoughtfulness and assistance in this matter. I remain , your future dentist, Karyna Shuliak

I am so sorry if you were given the run a round with the immigration office today. Please just speak to Sandra Garcia or myself if you have any questions- if we don't have the answers we will get them for you. At this time I believe that everything is fine with your immigration status but if there are any changes please let us know.

Once again I am sorry.

Enjoy the summer and we will see you soon

Dr. Zubiaurre
