It's 1401 60 street, I guess I'll be free about 8 pm, is it ok?

That sounds great. Where do you work? I can come pick you up.

Hi Jeremy!

I have to finish my work at 8 pm, I'd be glad to see you if you are free)

Hi Karina,

There is a chance that I will be free on this Tuesday. Would you like to have dinner with me? What time are you finished with work?

I just didn't understand, you'll be available only on September 2nd or next week too?

Oh thats right! I forgot you are in Brooklyn now. Since I live in Brooklyn there is no reason why we couldn't meet up during the week.

What is the address of where you work? When do you get off of work? I know you are leaving on September 3rd. Would you like to meet on Tuesday, September 2nd, or does that not give you very much time?

I'm working at one russian dental office in Brooklyn now, but it's only a part time job.

It's a pity that you haven't got time, but there is nothing to do, I hope you'll have a funny trip!)

I'd like to hear you are singing, but i think I won't be able to come tomorrow, there are a lot of things I have to do, cause the next weekend will be the last here. Oh my God, I even can't imagine that it's so soon!(!

Anyway Jeremy, even if we won't ever see each other, I was happy to meet you and thank you for

those good day we spent together!)

Hahaha...yes, I have been in outer space but I am finally back. At least I am back for a little while. :)

I'm sorry that your job is not much fun. I'm glad you have work right now too since it has been so hard to find work for many of my friends. Where are you working now?

I'm not going to be able to come visit today because my apartment is a mess and I need to clean and Sunday I will be singing in the choir at my church untilat 3pm. Would you like to come and hear the choir. It is a very big church though. After the choir sings I will then have a meeting for a trip I am taking this next weekend.

When do you leave again? I'm afraid that I won't be able to spend time this whole next week. : /

Hi, Jeremy!) I haven't heard from you too, so I thought you've been in outer space still, I'm glad you came back already))

I'm allright too. My new job is not so much fun, but it's good that I just have it.

What about this weekend, I still don't know about Sunday, but tomorrow I'll be free till 4-5 pm or longer, so we could meet if you are not busy

Hey Karina,

How has your week been? I haven't heard from you so hopefully you've been out seeing New York City. Are you going to be away this weekend?

I'm doing well. My job is a lot of fun and I've been in Manhattan for almost all of this week. I'll be back in Long Island this next week though.

Hope all is well and I hope we get a chance to get together again before you flight back home.

Jeremy
