He has been hounding me for months to buy him white sweatpants which have been impossible to find, but now I've found some good potentials and he doesn't want to look at them. can you please send them all back to NY with him so I can make him look and pick something so I can order them. thanks

>> FYI, the ones I send down are different colors for him just to try for size, then I can order the same style in white online.. they didn't carry white in the stores
