Hi Mia,

My name is Karina, I'm very interested in renting the room in your apt, as the way you describe it in details sounds really great! I'm looking for a room with a friend of mine, female, so first of all I'm wondering if you would agree to have 2 people in 1 room, it sounds like the room is pretty spacious. We are both Europeans, Belarusians, 22 and 21 y.o., I've been studying dentistry back home, so far working here as a dental assistant, my friend is a linguist, we both moved here a little more than a year ago. We are neat, intelligent, no bad habits. Fine art is highly appreciated, btw:)

If you are interested please give me a call at 646-243-8517, or reply at [REDACTED]

Thank,

Best regards,

Karina.
