Not to worry, we totally understand! Jeffrey says that keeping in mind that the second round of French elections will be the 6th of May, any day after the 6th-11th of May would work for lunch, or if the Ambassador prefers, coffee at his house.

We will be in touch!

Best,

Hi [REDACTED],

Ambassador Rivkin wishes to thank Mr. Epstein for the kind invite and suggestion of coming to St. Barts to meet with him there. Ambassador Rivkin is hoping Mr. Epstein would please forgive and understand that he is hoping for a relaxing vacation with his family and a chance to spend time with his son who is away at college and has not seen since December, and instead would like to extend an invite to Mr. Epstein that next time he travels to Paris if you could please be in touch to have lunch at the U.S. Ambassador's residence here.

Thank you for your understanding and please let me know if you have any questions.

Abigail

Hi Abigail,

Jeffrey just wanted me to touch base again with you to see if Ambassador Rifkin has any thoughts regarding Jeffrey coming to visit him in St Barts, or if the Ambassador and his wife would like to come to Jeffrey's island during their trip in the Caribbean?

Best,

[REDACTED]

Hi Abigail,

I wanted to send you an email so you have mine as well. I know it's a bit early to confirm anything, but Jeffrey is extending the invitation for the Ambassador and his wife to come visit his island in the US Virgin Islands while they are in St.Barts. He would send his helicopter to pick them up and take them back. It's about a 45min heli ride. Jeffrey could also meet them in St.Barts if that is better for them. We can touch base again closer to the time.

Best regards,
