Your Lab Result Request

Hi Karyna,

Thank you for requesting your Quest Diagnostics lab results via MyQuest™.

To ensure quality and timeliness, most lab results are available for review on MyQuest within a week*. However, more complicated testing may take longer. With this in mind, we request that you please do not resubmit your lab results request.

We're here to help. If you have not received your results within a week, contact us at MyQuestSupport@QuestDiagnostics.com.

Please do not reply to this email.

Sincerely,
Quest Diagnostics

* California & Oregon Residents: State laws require us to give your physician 7 days to discuss your results with you, before we release them to you.
