Dear Lisa,

I can not see any results in the email you have sent. Can you please resend it.

Thank you,

Karyna

Your Requested Quest Diagnostics Confidential Lab Results Are Now Available [s]

Thank you for choosing Quest Diagnostics.

These results have been sent to the person that ordered the tests. Your receipt of these results should not be viewed as medical advice and is not meant to replace discussion with your doctor or other healthcare professional.

Kindly note that the test results provided are those that were available at the time of your request. If you have any questions or concerns regarding your laboratory results, contact your physician's office.

For your convenience and for future reference, you can sign up on the Quest Diagnostic website at www.questdiagnostics.com and click MyQuest Patient Portal in the top right corner.

We also have MyQuest by Care360 where you can [access your lab results with the MyQuest](#) mobile application. To find out more information regarding the App please go to <https://myquest.questdiagnostics.com/web/home>.

If you are not able to sign up online, please have your doctor's office add you as a "copy to" on all your requisition/lab orders so that you can receive results by mail or fax.

Please do not respond directly to this email. For issues accessing the attached document, please contact Quest Diagnostics Customer Service at 1.866.MyQuest (1.866.697.8378).
