Hi Richard,

Nice speaking with you as well.
I will update the ship to and bill to on the quote.

Just spoke with White Glove and crating is done by the cube so unfortunately that cost is what it is. I am happy to add a discount on my end to bring the shipping total down a bit but we will not be able to get to that \$11,000 mark. I can bring the total crating and shipping cost down so your total will be **\$11,575**. I hope you can understand this is a direct cost to us, but I would like bring it down since this is your first purchase and we totally appreciate the business.

Please let me know if this works and I will process the order. The lead time will be 8 weeks to ship if we order by 4/4 and will take a week or so to travel down to FL.

Thank you!!

Hi Karyna and Daphne,

We can ship it as far as the tropical freight forwarder in Florida.

Items will be blanket wrapped. If you require boxing or crating that will be additional charge, so please let me know and I can get that cost.

Please let me know how to proceed!

Dear Kathryn,

I have copied Mrs. Daphne Wallace on this email. She is coordinating the shipping process and will be able to assist you with any questions on that regard.

As we discussed yesterday, the final destination for the furniture would be St. Thomas USVI. If your policy allows shipping outside the continental US, we would need you to freight forward it to the Tropical Shipping in FL. Their address is:

9505 NW 108th Ave
Medley, FL 33178
United States

We would take care of the rest of the shipping from FL to St. Thomas.

Could you please send us the quote for the shipping taking into account the details above.
Please let us know if you have any questions?

Thank you very much!

Karyna

Hi Karyna,

That is the cost for standard white glove delivery to Miami – if you need crated, I will need to get a separate quote from white glove.

If you could detail out specifically what you need and the address where it is going I can let you know!

Hi Kathryn,

Thank you, I did receive the quote. Just to confirm, \$1580.00 is the price for freight forward to Tropical Shipping, is that correct?

Thank you!

Hi Kathryn,

This is US. I will ask Ms. Wallace about the details, I believe it will be freight forward. Let me double check.

Thanks.

Understood.

Will you be picking up from our factory or are you coordinate with a freight forwarded? We do not ship outside of the US so just need to plan accordingly!!
