Good morning! Hope you slept well and have a great flight to Bahrain.. just wanted to let you know what flights there are from NY to Dubai. There are 2 non stops on Emirates. One leaves Sunday morning at 11:20am arriving Dubai on Monday at 7:50am; the other leaves Sunday night at 11pm arriving Dubai on Monday at 7:45pm. Let me know which one you think is best for me to take that makes the most sense for your flight in on Monday. Can't wait to see you very soon.. big kiss..xoxo
