Subject: Scheduling for repair/re-install of vinyl flooring

Hey [REDACTED],

Hope all is well. Just wanted to bring you up to speed on the status of the vinyl flooring we are trying to replace for you. I just spoke with the installer and set up a meeting with him tomorrow Tuesday 4-24. We are going to go over the plans and make sure we are on the same page as far as what to do to correct it. Once we settle that we are going to come up with a few dates that we are hoping will be available to this job. You will hear from me tomorrow by afternoon the latest with available dates, and try to schedule the job. I thank you very much for your understanding, and apologize for the inconvenience we may have put on you. Thanks again.
