please do not order yet as i have a few comments on invoice that either karyna, bella or daphne can address with vendor:

- a) no sales tax is appropriate as we are shipping out of the country (remove 2,406.20)
- b) discount of 14.3% (although i do not like) is consistent with the past
- c) shipping and handling is 5% at 1,636.87 and way to high to go from FL warehouse to tropical...realistically this should be 500 or so..

please call me with any questions and feedback after your conversation  
if no luck then i will call..

thank you

Greetings Karyna,

Since Artefacto has to complete this transaction through JSC, I will edit the final sales order for Tropical Shipping and US Customs when the furniture is ready to ship.

They have the Tropical FL address so they will be able to deliver to the port. I will also pre-book the furniture so they have that number for reference at the time of delivery.

Is the Country of Origin for all Artefacto products Brazil?

Kind regards, Daphne

Hi Rich and Daphne,

I am ordering more furniture for the island per Mr. Epstein's instructions. This time is 6 outdoor chairs and side tables from Artefacto.

Attached below is the invoice including the shipping to the tropical. Trade discount has been applied.

Rich, can you please process the payment if all looks good to you? The forms for that are attached below.

Or, if no difference, I can do it with my card?

Daphne, do you need to give them any shipping instructions? After it arrives to the tropical, we will need you to take care of shipping to St. Thomas.

Thank you!

Karyna

Hi Manny,

I tried calling you, but was told you are busy with a client.  
I would like to add 6 of the white outdoor stools to the order. It is the  
taller one on the picture attached. I believe it is called Ashley?  
Could you please add it to the invoice.

The address for the tropical shipping is:  
9505 NW 108th Ave  
Medley, FL 33178  
United States

Thank you,

Karyna
