Hi Daphne,

Can you help me figure out when this mirror would arrive in STT if we sent it to Tropical. If it went out today, it would arrive Miami either Monday or Tuesday would be my guess. What day would it ship from Miami to STT?

If we ship to Miami to tropical shipping it would be 2 business days then from tropical shipping to st Thomas however long they ETA, if we do it fed ex economy it will arrive in ST Thomas on May 3rd, if we do Fed ex Express it will arrive in ST Thomas on May 2nd so if you think about either way they will arrive all around same time, but these ETA were based on this freight going out today. So we can figure out the days by looking at these ETA's so just take a look let me know.

Hi Joe. My client is asking what the arrival dates would be in St.Thomas if the mirror was sent via FedEx economy and via FedEx express. Also, when it would arrive in Miami if you were to send it to Tropical Shipping at:
