Hi Stephanie,

Would it be possible for you to send me an invoice with a few changes on it that we need for custom purposes? If you could take out "FTC" after Brices name and add in "Little St James"

As also add the country of origin for the mirror, which I'm assuming is USA.

Thanks very much!

I can't get approval for the quote unless I give them a breakdown. Is there no way to get something that shows this?

You're welcome, [REDACTED]. Unfortunately my system does not allow me to itemize any quotes. The previous quote was for smaller, less panels it also did not include the extra panels, I bar and mirror mastic.

Thank you Stephanie. Can you please include a breakdown of the prices in the quote? I'm trying to figure out why this quote is so much higher than the original one for \$1,122?
