Good morning Ileana,

Attached please find the invoice for the desk. How soon will it be moved from your facility to FL?

Kind regards, Daphne

Good morning,

Driver just arrived to drop your freight, he has no information on to where this cargo is going.

Can you please send us copy of invoice and the full name and address of final destination.

Thanks

Ileana

Greetings Rich B,

Did International Freight Logistics give you an estimated delivery day to Tropical NJ? I spoke with Iliana at that facility (who is on this email) and it has not been received as of this morning.

If you can reply to all with any details from IFL, Iliana will track it for us and email any updates.
