Great! Glad to hear. And he's happy?

Just arrived in Brussels and will be staying in Spa. Brian has his race this weekend. Will be coming back to NY on Sunday.

JE mentioned he wanted a couch for 5 Palms. He liked one similar in a magazine to this Restoration Hardware couch. Could you show him this link and see what he thinks? Maybe you can have it taped out for size while you're there? Also keep in mind we are having that desk sent from NY for 5 Palms.

Thanks [REDACTED]!!

Hey [REDACTED]

All is fine. I am planning to take a photo but the weather is awful so I hope to have some sun tomorrow.

I am waiting on Jermaine to get photo paper this morning for one of the printers in the office that will be able to print large enough photos for the frames that we packed. JE is going to select ones that he wants me to print and I will start doing it at FTC today.

The rug sample looks so great! But I haven't had chance to discuss it with him yet. I hope he likes it. It just seems to pull everything together in there. Great find!

JE seems happy with Frances' food :)

How are you? Still in Italy?

Hey [REDACTED]. While you are in island, can you try and take a photo for 71st dining room with your camera, ask him about the blue sisal rug sample for chill bath, and I'm not sure if they put all the photo frames we wrapped into 5 Palms, but maybe we need to see if we'll need to print more photos to replace some of the ones in the frames.

How is everything going there?
