Your international features have changed

Dear [REDACTED],

Thanks for being part of the AT&T family. You recently changed your international feature(s) on myAT&T.

You added: Passport 3GB | \$120.00 one-time charge
to:
646.243.8517 - 04/22/2018

Making the most of your features:

You can remove your AT&T Passport before its effective date without being charged. If you cancel it on or after the effective date, the full, one-time charge will still apply, and you will lose the discounted rates for any days remaining in its term.

Travel with confidence. [Review tips](#) on calling, texting, and using data before traveling abroad.

Monthly, one-time, or daily charges will be shown on your next bill.

Keep in mind, if you travel without an international feature, pay-per-use rates may apply. Log in to [myAT&T](#) to see all of our international options and make changes.
