thank you for your response  
we will present the BOL once it is generated then you can reimburse our credit card for 2,406.20 charged regarding shipping we cannot pickup as that would be a deemed delivery and a florida purchase i would prefer that we use a flat rate of 1,000 for shipping  
if acceptable please revise invoice and we will make deposit immediately  
thank you

Hi Richard. Good afternoon.

Somehow I have not been informed about your call.

In regards of sales taxes, it can be reimbursed after client presents bill of lading, proving items have left the state ( bill of lading needs to have the same name found in the order) it's usually provided by the shipping company . Or client can also provide Florida resale certificate 2018.

You can avoid shipping by having the items picked up at our warehouse. Let me know if that works for you.

We charge 5% shipping to items delivered around Miami area, orders with shipping outside Miami have a third party quote. It's usually given by the transportation company we work with.

If possible please present the order shipped to NY ( with delivery charge), so I can show it to our management to get you a better quote.

If you wish I can try and call you tomorrow for further details.

Best regards,

manny,

i left a few messages for you the past two days..

i would like to review the following comments below regarding your invoice so that we can proceed ASAP with this order..

a) attached invoice should not have sales tax as we are shipping out of the country via Tropical shipping and will pay import tax in USVI

-> please remove tax of 2,406.20

b) shipping and handling of 1,636.87 seems very high to move from FL warehouse to tropical shipping

-> in past orders we paid this 5% when orders went to NYC and were delivered into a home or residential apt

please review and call me on my cell phone anytime today 3-7pm or tomorrow 9am-12pm or 4-7pm

thank you

Hi Manny,

I tried calling you, but was told you are busy with a client.  
I would like to add 6 of the white outdoor stools to the order. It is the  
taller one on the picture attached. I believe it is called Ashley?  
Could you please add it to the invoice.

The address for the tropical shipping is:  
9505 NW 108th Ave  
Medley, FL 33178  
United States

Thank you,

Karyna
