Hi [REDACTED]

Sorry I was driving at the time I sent the last one and it sent prematurely ☺ I only took a small peek because I didn't want to pull up too much carpet and ruin it (but I guess you're replacing it anyways?). If it's ok, I'll go ahead and pull up a chunk from the hallway to get a better a look. From the few inches I saw, it looked as if it were regular wood floors and not the parquet.

Tomorrow I have requested the day off so I can finish packing and will do it then if that's ok? I can't believe how much stuff I have... especially considering I moved to NY with only a suitcase full of stuff!!

Hope to see you one day soon, Sarie.

Best,  
DB
