Hi [REDACTED],

I just had a job put back a few days that we were supposed to do tomorrow so we could remove the carpeting in apt # 11P tomorrow and start 8H if that is possible. Let me know thanks

Thanks

Colette

So we will have you refinish the floors in 8H first, then we will have it painted. We are going to replace the baseboards, so if your men can take off the current baseboards prior to refinishing the floors, that would be helpful. We want to do the Country White finish in the whole apt, living room and bedroom. Can your men start this apt on Wed of this week?
