Thanks DB. No need to clean the carpet. We are tearing up and redoing wood floor. Will let you know about furniture!

Hi [REDACTED].

I just wanted to let you know that I am out of 11P now.

I would like to arrange and pay for a carpet cleaner to come in because the carpet needs it badly!! Would you like me to do this or are you tearing up the carpet?

Please let me know if there is anything I can get for 11P (towels, sheets, pillows, etc).

Also, if you are going to sell anything in the apt (ottomans, lamps, bookshelf) then please let me know and I will be your first buyer :-)

Take care [REDACTED] and let me know if you need any help with setting up 11P or anything else.

Best,

Dana
