Hi Colette,

We really like the Country white floor sample.

One of the studio apts we need to have you refinish, 11p, has carpet that needs to be pulled up first, then we want to paint the walls, then we will have you refinish the parquet wood floors after the paint job is complete. Are your men able to pull up the carpet for us first, or is this something I need to have someone else do? I'm just trying to schedule the painters, but need to know when the carpet can be pulled up first.

Also, I'm having a one bedroom, 8H, painted this week, then I will be ready for the floors to be refinished in the Country white in the whole apt and would like to schedule the work for that apt as well. Would it be possible to schedule the start of 8H floors for next week?

Thanks for your help!
