will give Danny a call.

Do you know how much it is to reglaze the tubs?

For 8H and 10F, I'd like to reglaze the tubs and install sliding glass doors on both tubs.

For 8H, I also need to replace the door jamb on the bathroom door as the stone is very discolored.

If we are going to keep 4M, the bathroom needs a complete gut and renovation, and ideally 10N bathroom also needs a gut and total redo.

I do have Penn available and as long as we are clear upfront on the scope of work it can be done immediately. Next week Penn will have guys available and would be able to start on 8H (but again, you really need to be clear and have all materials prior to starting.
