Great.. yes, you can definitely start 8H tomorrow. Can I anticipate 8H being done by end of day Friday? I have some furniture in 11P which needs to be taken out first before we can pull up the carpet and start on the floors. Our painter prefers that we refinish the floors first prior to painting, so we have some wiggle room on pulling up the carpet in 11P.. basically it can be done whenever you guys are ready to do the floor in 11P. I'm working on getting the furniture out of there asap
