Subject: Elevator Repair UPDATE * [REDACTED]

Date: Mon, 14 May 2018 23:10:27 +0000

To All Residents,

The elevator mechanics had promised that they would have the car running by Friday. Unfortunately, we continue to have a problem getting the cab back into service, and I as a result, I am as frustrated as all of you.

We have been told that the elevator will be running by tomorrow.

Once again, I thank you for your patience.

Regards,

Anthony Barrett
