I think it is fine and may be easier to just have them do it

Please see attached photo of baseboard sample..
this is the baseboards that the flooring people have which are redoing the floor finish. If we like, might be easiest to have them install these.. what do you think for 8H?

Ok we can start on Wednesday and we will take off baseboards prior to refinishing the floors.

Also I have attached a picture of colonial base it is 3 1/4" high. Not sure if this helps

Thanks

Colette

So we will have you refinish the floors in 8H first, then we will have it painted. We are going to replace the baseboards, so if your men can take off the current baseboards prior to refinishing the floors, that would be helpful. We want to do the Country White finish in the whole apt, living room and bedroom. Can your men start this apt on Wed of this week?

We can start 8H for you on Monday, if painters are finished but can you find out if they will be as I need to schedule my other work accordingly. I will check with my guys and let you know when we can remove carpeting.

Thanks

Hi Colette,

We really like the Country white floor sample.

One of the studio apts we need to have you refinish, 11p, has carpet that needs to be pulled up first, then we want to paint the walls, then we will have you refinish the parquet wood floors after the paint job is complete.

Are your men able to pull up the carpet for us first, or is this something I need to have someone else do? I'm just trying to schedule the painters, but need to know when the carpet can be pulled up first. Also, I'm having a one bedroom, 8H, painted this week, then I will be ready for the floors to be refinished in the Country white in the whole apt and would like to schedule the work for that apt as well.

Would it be possible to schedule the start of 8H floors for next week?

Thanks for your help!
