Since you're coming tonight, I would love it if you could pls bring a few things for me. In my closet, there is a white linen pair of Narciso Rodriguez pants on the right side hanging. On left, there is a navy blue dress from Trina Turk(the one I wore to TriBeCa Ball) I need a few nicer tops. Most are hanging on the top right. Just not too sure what I want. Maybe if you call me when you're there and I will have a better sense what to ask for. Thank you so much!! Glad you're coming and excited for you to meet Brian!
