I just spoke with Ami.. he is going to try and come by this afternoon or tomorrow morning to have a look at 11B's to get it to do a hard reset, and see about installing a new lock on 8H. I gave him your cell if you are able to meet with him? or send Bella or someone.. He wasn't sure exactly when he would come, but will call you before. Is this OK?

>> Hey les.. were you the one to arrange to have the key code lock put on 11B? I need to have it done on 8H as well and wondering who you called if you remember? I have the number to a couple locksmiths who I think can do it, but wanted to check with you first.
