Thank you Karen. I have an appointment on May 30th, so I will be staying the night before for sure. Mr. Epstein hasn't decided when we will be flying there, if we fly earlier, I will be staying from the date of our arrival until the 30th.
Will let you know about any updates.

Thank you,

Good Afternoon [REDACTED]

Great, cannot think of anything at the moment, will keep you posted if I think of anything else
FYI - Carpet will be installed in Master on GSJ tomorrow and Gym carpet to be installed next Wed
When you get the chance could you let me know what days you will be staying next week, the only reason I ask is that accommodation is now getting pretty tight - season gearing up. Just need to get Mike set up somewhere
Thanks
Warmest regards
Karen

Good afternoon Karen,

Mr. Epstein and I will go shopping in Palm Beach. We will try to find the bathroom items that you mentioned for cabanas, as well as mattresses that he discussed with you I believe. I will keep you posted on the progress. Please let me know if there is anything else I should look for.

Thank you!
