Greetings Karyna,

We will need to know the Country of Origin information for each item, if Bloomingdale's has not already provided that information.

Kind regards, Daphne

Good afternoon,

Just to let everyone know, we bought the items listed below for the island yesterday. They will be delivered to Palm Beach house from Bloomingdales and will need to be shipped to the island. I do not have the delivery date for the rugs yet, everything else is scheduled to be delivered to PB on June 8th.

Thank you!

Karyna
