Hi

I was speaking to my guy can you tell me what we are doing in apt # 8H have you decided? He told me that another lady was there and perhaps wants natural stain . We need to know very soon.

Also to supply and install the baseboard it will cost \$1000.

Thanks

Colette

We are going to replace the baseboards, so if your men can take off the current baseboards prior to refinishing the floors, that would be helpful. We want to do the Country White finish in the whole apt, living room and bedroom. Can your men start this apt on Wed of this week?
