I don't have any of the things [REDACTED] or [REDACTED] want for their apts yet, so can't fill in pricing, etc for anything for those apts, and still working out pricing for painting apts with Michael/Ion. It doesn't really give you much info until the list is complete and I don't feel 100% comfortable with the final furniture list until [REDACTED] in NY again and can properly measure out furniture in the apts and physically be in them. I don't feel comfortable working with a floor plan yet; hard for me to visualize. I know basically which furniture I like, but most styles come in different sizes, lengths, etc. I know this won't tell you much, and until [REDACTED] in NY and in the apts, I don't feel I can really give final decisions on things for pricing.
