Hi [REDACTED],  
Standard glass industry tolerance level is +/- 1/8". Our sheets come 48"x96". We will do our very best with cutting it to 83-1/8" but cannot guarantee it.  
Thanks!

[REDACTED];  
Not to make it complicated. Last time we ordered 48x83. It came 48/18 x 83x1/8 .  
It may be just the way they cut it.  
But Bill said 48 1/8 x 83 1/8 is the size he need to match other panels.  
Craig

Hi [REDACTED],

Please find attached the quote for just the mirrors per your request. Please reply to this email with your confirmation to proceed with fabrication. I will also need a payment for this as well. We can use the same Amex if you would like, I would just need the 4 security numbers on the front of the card.  
Thanks!
