(APOLOGIES IF YOU'VE ALREADY RECEIVED THIS)

Hi All,

It's that time of year, and I'll again be running - this time across three states - in the Fifth Annual New York Cat Hospital Father's Day TRI-STATE CAT RESCUE MARATHON. And as sole participant, I may indeed win...again!

[REDACTED]

■ running to raise funds for some incredible local rescue organizations that pull SICK, ELDERLY, OR OTHERWISE UNADOPTABLE CATS from the kill lists at area shelters, provide vital medical care, and place them in loving foster or forever homes.

Abandoned simply because they were old or ill, these cats deserve a second chance for a good life.

Please visit the above link, SHARE with others, and donate to help give these cats the loving future they deserve.

Thanks!

Peter
