Hi Sarah unfortunately I am not my left heel is very inflamed very hard to walk on. I think it would cost more to crate and ship the glass desks to LSJ that they are worth. We can send the pictures to IFL and get a quote. How much are the glass desks worth? Rich

Hey Rich.. I'm hoping you are feeling better..

We will be sending 4-5 of these glass top desks with the chrome wheelie drawers to LSJ from the offices at 301. I will need movers to pick up, crate and delivery to Tropical in NJ. Is IFL very expensive to do this? Do they charge alot for the crating?
