Greetings again Karyna,

Your US Passport Card also arrived. Everything is secured in my office.

Kind regards, Daphne

Greetings Karyna,

Your US Passport arrived today. I copy is attached for your reference. Your original Naturalization certificate also arrived. We are sending a Fedex package to NY tonight for tomorrow. Would you like me to send both documents in the package for you, or would you like them sent to another address, or secured here on St. Thomas?

Kind regards, Daphne
