Dear Karyna,

So good to hear from you! As you suggested, I will update the proposal for you and hope to share it with you early next week.

I look forward to meeting Jeffrey and to seeing you again

Dear Dr. Salentijn,

I hope you are doing well and enjoy the summertime.

I look forward to our dinner with Jeffrey and Dr. Magnani. Prior to our dinner I thought it might be helpful if you would kindly send us a detailed proposal for your project please. I hope it is going well and you enjoy working on it.

I very much look forward to seeing you soon!

With my best regards,

Karyna
