Please see attached a current master list revised to reflect the deletion of a Dodge Caravan, a transfer of one Denali from PB to USVI with USVI reg and license plate issuance pending and changes in the license plates for three of the USVI vehicles when they were transferred to TWA. I did not delete the SeaCraft boat from the list yet, as you still own it. I did not add the acquisition of the Ford F450, as it was acquired by LSJE, LLC and it is my understanding that you will never actually ride in that vehicle.

I will be drafting a notice to Pinney today and will send it to you for approval shortly.

Have you signed up for any additional applications, etc. that are not reflected on the list. Currently, we have Facetime, Signal, Confide, WhatsApp, Telegram and SKYPE. Please let me know if there is anything else.

Please advise if you wish any further changes to be made.

Thanks.
