Greetings Carmen,

We do not have a Chinese shipping agent, so we are trusting your judgement and decisions on the arrangements from China to Miami, Florida USA.

Please make the necessary arrangements, and let us know what all of the fees, tax, Customs clearance and so on, for the shipping from China to Miami are.

Balance for furniture = \$ 4,876.00

Shipping fee, exclude tax, Customs clearance = \$ 1,070.00

\$ 5,946.00

Once you confirm all of the fees please email and we will send you the funds.

Thank you and kind regards, Daphne

Hi Daphne,

Good morning.

For the shipping fee from factory to the port of Miami, After I checked with the shipping agent. They said it is 1070USD.Exclude the tax ,Customers clear. and so on.

And if you know some Chinese shipping agent ,You also can check with them. Can compare the price with them. Then make the choice.

Thanks

Carmen

Greetings Carmen,

Thank you for the update on the status of the order completion.

We do not understand what you mean by EXW terms, so please explain.

It is means just factory price, exclude the shipping ,If include the shipping, Then will be CNF terms.

When [REDACTED] made the order it was with the understanding that you will make arrangements to ship the furniture from a port in your country to Miami Florida USA. We will take care of the cost for the shipping, and we will make arrangements from Miami Florida USA to St. Thomas.

I can do follows as your instruction, But the cost from our to the Miami port, It exclude in the invoice.

We are not familiar with the ports and shipping in China, which is why we need you to make those arrangements. We can arrange, Just need to check the freight ,Then tell you how much. will reply to you later.

Please advise and let us know what the shipping cost will be so it can be included in the wire as well. Will reply to you later.

Thank you and kind regards Daphne
