---

Please let me know when you have this scheduled. They are starting 10B's floors for us on June 11. Also, we want to do the floors in 10F in the Country White finish, living room and bedroom. Let me know how much cost will be ours..thanks

Hello again..I underestimated the time it will take the office to move out. If you could coordinate the floor people for week of June 18th, that would be best. Thank you. Please let me know if that works.

HI Andrew,  
Wanted to touch base regarding starting to fix the wooden floors in 10F living room. The office will be moving out on Tuesday of next week. then I will be arranging movers to pick up the furniture on Friday of next week. I'm going to see if the flooring people can start 10B refinishing on Thursday, so perhaps if you could schedule the floor people for 10F sometime the week of June 11th?
