---

Good morning Merwin,

Hope you had a good weekend.

Mr. Epstein ordered a new outdoor table set for the terrace on 6th floor. There is a Costway box in the dining room, and I believe I saw one in your office as well. Could you please have it assembled this week and put on the terrace before we come back.

And just a quick reminder to dispose of all garbage items on cellar, since you no longer need to wait for the truck.

Thank you very much and good luck with the AC motor replacement this week.

Karyna
