Just wanted to check in and see if there was any new info for next week.

Is Karyna a vegetarian? I'm trying my best to keep track of all the diets, just gonna take me a couple weeks to get everything recorded.

did some running around today clearing up petty cash, arranging to meet some purveyors tomorrow and planning menus. I will be back in the kitchen and start prepping for next week tomorrow morning.

I think it will just be Karyna and JE for the most part, and he is having guests for lunch probably on the 16 or 17th..Probably 2-4 guests, but not positive yet. They won't be staying on island, but I would guess most likely just coming over for lunch one of those days
