Hi Christian and Evelyne,

Thank you for getting back to me. [REDACTED].
We will be using the same fabric for the main seat and the bolsters. Given that it is 118" wide, how much would you need for the bolsters?
I have attached a picture of the fabric below.

Thank you very much,

Karyna

Hi Karyna...

A couple of questions: Is the fabric a plain color or a print? Can you send me a picture?
Are the insert bolsters on the back rests going to be the same fabric or a contrasting color?
If the fabric for the round bolster inserts is 54"-60" wide, stick with 16 yds.
The main fabric being 118", we should be safe with 20 yds.
I was told that two of the backrests were going to be rebuilt to a higher dimension.
I usually recommend having extra fabric in case a cushion gets damaged, you could replace that one instead of the whole lot.
Let me know.
Evelyne

Evelyn,

I forgot to mention, the width of the fabric that I am ordering is 118 inches.

Thank you,
