hi there

we will need the same information on this invoice as well
any updates regarding delivery?
regards Brice

Hi Brice,

Please see attached quote & tear sheets for your review. In regards to freight is a lift gate and/or inside delivery needed?

Based on today's inventory I have stock of Brush Stroke Oyster and Glacial Polar White is on back-order. Next shipment arrives in September. In order to secure materials a 50% deposit would be required. Does this fit in your project's time frame?

Thanks,

Molly
