Hey Rich,

Rich Barnett is going to use Michael for some work we need done at 71st for touch ups, etc for in between apts. I won't be ready for him again in 10B until next Monday. Do you think we need to get JE approval on this or can we just proceed? What do you think?

Hey Rich,

Michael has a bit of a lull at 301 now. I won't need him till Friday. Do you want to use him for things needed at 71st next week until I'm ready for him again?
