cool.. I ordered the bottom two in both navy and gray(not sure if you like the lighter color gray? they don't have charcoal, but I think the light gray is really pretty.. we will see in person)
I also got a rhinestone bow belt to try out to fancy it up a bit

I can order all 3 below to see in person to see if we both like? The last one also comes in navy.. I like them all..
I can order now so they are in NY when I'm back on the 18th.
