At present, there are twin bed in the Chinese bedroom, which (I understand) Mr. Epstein wants to be replaced by or turned into a king sized bed.

Because of the existing two bed heads covered with a special material matching with the rest of the room including curtains, the proposal from TAPISSIER SEIGNEUR is to undo partially the two bed heads ("découverte partielle"), assemble them ("assemblage des deux têtes de lit") and redo the cover to make it one ("assemblage des deux têtes de lit façon couverture). The base of the twin beds will be assembled and one single piece over the mattresses ("fourniture d'un surmatelas TRECA Rivoli en 200 x 190 cm") will turn the whole into one single king sized bed (200x190cm).

The overall price VAT included amounts to 4,951.44 €.

Please advise.

Best regards.
