Good Afternoon [REDACTED]

Ok thanks, assume this means dinner for guests on LSJ

GSJ is having power issues at the moment, Mike will provide an update on its status when he has more information

Shall we obtain other accommodation for Mike if [REDACTED] is staying on GSJ?

If so how many nights

Thanks  
[REDACTED]

PS: I left a message on your cell reference the Gym bathroom, the medicine cabinet cannot be installed the wall is not thick or structural sound enough to handle install

We can either install the mirror that came with the vanity or perhaps you would like to bring another mirror from NYC

Please advise

Thank you
