Sorry Bella..was so busy today with traveling, only noticing this email now. I think we should definitely send JE the quotes with explanations so he can decide ASAP. Maybe we can ask the company offering the discount to extend till Monday explaining the owner just arrived back at the residence and needs the weekend to make a decision? I just don't want to not take advantage of the possible discount if that's the way he decides to go

*"WINDOFF will charge additional 979.05 Euros for frame work."*

[This is correct only if we take the option for the 3 windows in the bedroom for special reinforced glass.](#)

*"plus painting of the windows":*

In both quotes painting of the windows has to be added.

Also to be added in both quotes, [interior building work](#) and [painting work](#) of the room (around the window frame).

Best regards.

WINDOFF will charge additional 979.05 Euros for frame work. If we make a deposit payment today the cost for WINDOFF with the frame work is 15041.05 Euros v. AZURRE 15,740 Euros plus painting of the windows. Please confirm.

Thank you

**NO**, there is no rebate on AZURRE quote and the painting is not included.

As explained in previous mails, none of the quotes cover painting work nor interior building work.

A rebate is only proposed by WINDOFF if order made before June 22<sup>nd</sup> with first payment of 5,624.92 €.

Best regards.

If I understand correct AZURRE total cost with painting of the windows is 15,740 Euros less 15% if paid by June 22nd.

WINDOFF is additional 979.05 Euros for replacing frame and the quality of the glass is not same. It is not reinforced glass.

Please confirm.

Thank you  
Bella
